

Notes on Children's Sacramental Programs: Revised on June 15, 2009

Sacramental Preparation for First Confession, for First Communion, and for Confirmation are coordinated by the parish Director of Religious Education in cooperation with our parish School program.

Classes for sacramental preparation are taught in our religious education program and in our parochial school.

The celebrations of these sacraments for children are coordinated by a committee consisting of the Pastor, the Liturgy Coordinator, the Music Director, the Director of Religious Education, and the School Principal. Sacramental celebrations are for the parish community as a whole.

Follow-up to these sacraments is provided through the school and religious education programs. Post-confirmation programs are followed-up by the parish's high school Youth Ministry program.
